GOOD

DOES IT HAVE

WHEN I GET
TODAY'S

Mikasa...!!!!

Okay,

.....

Mikasa...!!!!
That's the
first time
I saw her

And now
it's the
daughter of the
principal
next...

She even
forgot about
the heavy and
clunky
underwear

It's as if
a shadow
had
stepped
outside
of the

But who
cared after
Tsunagumi
if I can't
deal to
recall it

Well, wasn't
I mean how
would you
recall it?

The good
impression
for Gaki
some time

Do I not
remember
that?

Gaki's
why I
want to
deal it
again...

You don't
know... Oh
well, I don't
know... I
don't know...

But

Of course
I don't know
it's not
the same as
the other

Of course,
it's not
the same as
the other

If you
want, I
can lend
you my
book...

I'm
sorry...
that book
is mine

So
that's
it!

Oh yes, I
would
love that!

Am...
I can?

That was
my school
at first!

It's
all
right!

Oh, is it
okay if the
school's
teacher can
borrow it
too?

Oh... So
there's
something
like that?

I can't wait
to borrow
your book
for the
summer!

Yes, it
will
be!

WELL, OF
COURSE THAT IS
WHAT HAPPENS
WHEN YOU'RE
LABELED AS THE
FEDERAL'S
DAUGHTER

That's a
ridiculous
idea. If
you want
to talk to
me

What the
hell.
The thing
you a
damn
misunderstanding

One of
the
things
I
want
to
talk
to
you
about

What
are
you
thinking
about

The
problem
is that
the more
you
talk
to
me

What
the
hell
are
you
thinking
about

HERE
YOU
GO,
SENSEI

By the way
I couldn't
find people
any more for
that party

Um... Can I
read you
some to
cheer you
up?

I'll be
waiting
at the
library

NOT BY WHAT
SHE'S DOING,
BUT EXACTLY
WHY SHE
WOULD DO
SUCH A THING

NOROA
SHE—
WHAT ARE
YOU...?

I WAS
CONFUSED

EVEN THOUGH
I ALREADY
COMBINED
HER THAT I
WOULD ASK
HER RIGHT
THERE...

Welcome to a brand new series that I have conceived, readers! For those of you who are new to Uncharted Scandalous, I have completed both series "Candle Fish" and "Kiss My Ass" and brought closure to those that grew tired of waiting. Now my current project "Chaos in Season" is on hold due to awaiting publishing volume 5 next month, but this series caught my attention since nobody has translated it in English.

Oh yes, and for those who are interested in giving feedback on how Uncharted Scandalous did, feel free to go on Facebook or contact me through my gmail: unchartedscandalous@gmail.com

This series is brought to you part by..

Oh my goodness! In just one day, there are at least 400 readers following this series on Wattpad. For a comparison, my other project "Changin' Season" took at least a month to reach 500 readers that are following it. Man, you guys really love some yanderes, huh? Guess I got Yumi Gotoh to thank for that...
